Jersey Boys is a musical biography of the Four Seasons—the rise, the tough times and personal clashes, and the ultimate triumph of a group of friends whose music became symbolic of a generation. Far from a mere tribute concert (though it does include numbers from the popular Four Seasons songbook), *Jersey Boys* gets to the heart of the relationships at the center of the group—with a special focus on front man Frankie Valli, the small kid with the big falsetto. Enjoy dinner at Walden Galleria on your own before the show.
